Photo Now produce Team Photos and Individual portraits on the spot. We photograph all members of the team regardless of whether they purchase or not. If a team member is absent their individual photo can be added at a later date. If a Parent/Guardian wishes to wait for an absent team members photos to be added, this needs to be communicated to the Photo Staff prior to the other team members photos being taken. Extra charges will apply and the photos will be available once Photo Now receive the absent members stand in photo.

Team and Individual photos are printed on high quality 8 x 12 inch photo paper.

In most cases, your photos will be available on the day/night of the photo shoot. If this is not possible for any reason other than waiting for absent players, we will deliver them to you as soon as possible at no additional charge.
